

## COMMUNITY OPEN HOUSE ANNOUNCEMENT

### TOPANGA CANYON BOULEVARD (ROUTE 27) PAVEMENT REHABILITATION PROJECT

The California Department of Transportation (Caltrans) will hold an Open House on Thursday, June 23, 2005 to provide information about a construction project on Topanga Canyon Boulevard (Route 27) from Pacific Coast Highway (Route 1) to Mulholland Drive.

This \$5.5 million project will replace existing pavement with Rubberized Asphalt Concrete (RAC), including restriping, installing new metal beam guardrails, and widening roadway shoulders. Construction is scheduled to begin this fall and will take approximately a year to complete.

The Open House will be held from 6 p.m. to 8 p.m. at the Topanga Canyon Elementary School, 141 N. Topanga Canyon Blvd, Topanga, CA 90290.

This project will provide a smoother roadway surface, enhance safety, and improve operations. It also will reduce maintenance needs, thereby saving resources and easing roadway congestion.

*Individuals who require special accommodation (American Sign Language interpreter, accessible seating, documentation in alternate formats, etc.) are requested to contact Caltrans at least three days prior to the scheduled meeting date. TDD users may contact the California Relay Service line at 1-800-735-2929 or Voice Line at 1-800-735-2922.*
